

Would you like to know more about hemp and the hemp industry? Check out the Hemp Report at:

<http://www.hempreport.com>

The Hemp Report is a subscription-based online trade journal covering the North America hemp industry: agriculture, processing, marketing, research, business and regulatory news, and updates. There is a strong focus on hemp farming and developments in Canada. Editor: Arthur Hanks. Published quarterly with periodic newsletters.

Issue #19, Winter 2002 is out now.
